PROFILE

Motivated and self-driven Computer Science graduate with a strong foundation in full stack Java development. Possess hands-on experience in both frontend and backend development, including building real-time projects and REST APIs. Passionate about creating scalable web applications, solving complex problems, and contributing to collaborative development teams with a continuous learning mindset.

TECHNICAL SKILLS

Frontend - HTML, CSS, SCSS, JavaScript, React.js, Bootstrap

Backend - Java, MySQL, Spring Boot, Node.js, REST API

Tools - Git, GitHub, Postman, Figma

Others - Responsive Design, Team Collaboration, Problem Solving

PROJECT

E-commerce Management System

[\[Live Demo\]](#)

Built an interactive online shopping platform using React.js and Node.js. Designed product listing, shopping cart, and responsive layouts with SCSS to enhance user experience and visual design. Integrated state management and dynamic routing to simulate real-world e-commerce behavior.

Skills Used: HTML, SCSS, JavaScript, React.js, Node.js

INTERNSHIP

Backend Developer Intern

Aaadasteck, June – July 2025

Worked on developing a Library Management System using Spring Boot and MySQL. Designed backend logic for CRUD operations, implemented REST APIs, and tested endpoints using Postman. Gained practical experience in real-world backend application structure and debugging workflows.

CERTIFICATIONS

Full Stack Development – (2024)

Cybersecurity Fundamentals – (2023)

AI for Beginners – (2023)

EDUCATION

Bachelor of Computer Science

Government Arts and Science College
CGPA: 7.02

2021 – 2024
Tirupattur, India

HSC

Valankanni Matric Hr Sec School
Percentage: 77%

2020 – 2021
Krishnagiri, India

SSLC

Valankanni Matric Hr Sec School
Percentage: 71%

2018 – 2019
Krishnagiri, India
